Christina is an associate solicitor in the Business Crime department.

She advises corporate clients and individuals on the full range of fraud-related matters including criminal investigations and enforcement proceedings. She has a particular experience in financial services regulatory law.

Christina trained in London at a leading US law firm, where she gained exposure to a major SFO fraud and bribery investigation, and financial regulatory compliance.

Prior to qualifying as a solicitor, Christina worked as an Associate at the Financial Conduct Authority within the Financial Promotions and Enforcement Taskforce.

Christina holds an LLB (Hons) from the University of York and an LLM in Criminology from Maastricht University (the Netherlands). She completed her LPC at BPP University, London

Christina is a member of the Young Fraud Lawyers' Association.
